### APRIL 24-25, 2020

**FREEDOM WORSHIP CENTER  
141 WEST BOYLSTON ST.  
WEST BOYLSTON, MA 01583**

**Cal Pierce** is the International Director of Healing Rooms Ministries. He oversees this ministry with his wife Michelle. Cal and Michelle travel extensively worldwide speaking at conferences, teaching on healing and casting the vision to see Healing Rooms in every city in every nation. They also train and release the Body of Christ to be Kingdom people who walk in power and authority with signs, wonders, and miracles following them! **Michelle** is an international speaker who brings forth the encouraging Word of God in a

way that opens people's hearts. Together, their desire is to equip and release the Body of Christ to do the work of the ministry and to establish healing around the world.

For 25 years, Cal and Michelle attended Bethel Assembly of God Church in Redding, California where Cal served as Elder and Board Member to Bill Johnson. When revival came in June 1996, Cal was powerfully touched. God gave him an insatiable hunger to learn about healing and past revivals. A year later, God led them to Spokane, Washington. During a 40-day fast and much prayer, Cal heard God say to him: "There is a time to pray and a time to move." He, along with some intercessors, re-dug the generational wells of healing in Spokane. On July 22, 1999 the Healing Rooms Ministries opened. In 2000, Cal and Michelle were both ordained. Today, the ministry has expanded to over 2800 Healing Rooms in 70 countries and continues to grow weekly. Come and be impacted by the powerful anointing this general in the Body of Christ carries!

**Vincent Aquilino** and his wife **Deborah** are ordained ministers who serve as NYS and IAHR Region 1 (Northeast) Directors for the International Association of Healing Rooms. They also co-direct the Healing Rooms of Greater Syracuse. Vince has ministered in healing for over 30 years and has seen the power of God heal everything from broken bones to brain tumors. Deborah carries a seer anointing and is a powerful intercessor. Vincent and Deborah have equipped many hundreds of people to pray for the sick and have the ability to impart God's healing anointing to others. They founded and co-direct **Transformation Syracuse/CNY**, a prayer initiative birthed by a prophetic

word given by Cindy Jacobs at the 2003 IAHR Spiritual Hunger Conference to marry the Healing Room anointing with the cleansing of the land for the purpose of taking cities for Jesus Christ. In this role, they serve as CNY Regional Directors for the Reformation Prayer Network (Dr. Cindy Jacobs) and the Heartland Apostolic Prayer Network (Dr. John Benefile), in alignment with *PrayNY* (Brad & Lori Bandemer). Deborah holds a Masters and Vincent holds a doctorate degree from Wagner Leadership Institute and are members of the Global Spheres Apostolic Network under Dr. Chuck Pierce.

**Come for the teaching. Come for the healing. Come for the blessings!  
Everyone is welcome to attend this conference.**
