If ever there was a time to learn to operate in the power of God's, it is now! If ever there was a time to rise up and take your place on the wall, it is today! All creation is shaking as it waits for the unveiling of the "sons of God", those who know their position in Christ, are partakers of His divine nature and are not afraid to use their God-given authority over sickness, disease and every area of their habitation.

Jim White, Ambassador to the Nations for the Int'l Assoc. of Healing Rooms, has had personal angelic encounters, received visions that have taken him beyond the veil, and has had many incredible adventures with God. Jim is revelatory and carries an incredible healing anointing.

Gene Kati, IAHR Region 2 Director, ministers in healing, deliverance, inner healing, counseling and the prophetic. He has seen the miraculous power of God heal and deliver thousands. His heart is to train, equip and release the Body of Christ into its supernatural destiny.

Vince Aquilino is the Director of IAHR Region 1, NYS and the Healing Rooms of Greater Syracuse. Vince has ministered in healing for over 30 years and has seen the power of God heal everything from broken bones to brain tumors. Vince has equipped many hundreds of people to pray for the sick and has the ability to impart the healing anointing to others.

This conference is open to everyone. Come and drink deeply from the well of healing that has been dug in New York State. Full bios on the speakers, directions and conference schedule are accessible online.

This will not be your typical healing conference.

We are living in an age of great change. Make no mistake about it, we are living in a time of war. Everyone in tune with His Spirit senses the battle. For some it is a feeling of foreboding; for others a sense of resistance; for others a sense of depression as the constant assault has taken its toll on the emotions of those that the enemy has been able to isolate from Him, the true vine of their strength that will never run dry.

If there was ever a time that we need to hear His voice, it is today. If there was ever a time we need to operate in the power of God, it is today. If there was ever a time for you to rise up and take your place on the wall, it is today. **"Arise and shine, for the Glory of the Lord has risen upon you."**

All creation is shaking as it waits for the unveiling of the "Sons of God" who know their position in Christ, are partakers of the divine nature and are not afraid to wield the scepter of authority over sickness, disease and over every area of their habitation.

Come and drink deeply from the well of healing that has been dug in New York State. **This conference is open to everyone! It's all about JESUS.** Information on the speakers, registration information, directions and conference schedule are accessible online.
