Who knows if you were not born for such a time this! Given the turmoil in the earth, how are we to position ourselves? What can the righteous do when the foundations are being destroyed? Do you understand the call upon your life? Come and be prepared to stand in the day of testing. "God does nothing without first informing His people the Prophets. God is always speaking. Do not despise the sure word of prophecy. "My sheep hear My voice" and "they follow Me." Don't let the word of the Lord fall to fall to the ground; rather follow Him.
